RE: Charter Municipality Assets Managed by the MRC:
Financial Statements, Distributions and Management of
Available Funds in the Third Quarter of 2012

Dear Members of the Committee:

In this letter, CommonWealth Resource Management Corporation (CRMC) provides financial statements, information and recommendations regarding the distribution and management of available funds by the MRC in the **third** quarter of 2012 under the Second Amended, Restated and Extended Waste Disposal Agreements (the Extended Agreements). In carrying out its duties, the MRC is also bound by the terms of the MRC Administration Authorization (that is, the MRC By-Laws); various financing agreements that govern the flow of funds associated with the Facility and the permitted uses of reserve funds; and the Surplus Cash Agreement, as amended, which governs the flow of funds among PERC, the MRC and Bangor Hydro-Electric Company (Bangor Hydro) after such funds have been released by the PERC's lender.

This letter provides information and recommendations regarding Net Cash Flow receivable by virtue of prior ownership of limited partnership shares in PERC. The MRC manages such proceeds in accordance with the Extended Agreements, the Surplus Cash Agreement, as amended, and the Fourth Amended and Restated Agreement of Limited Partnership of PERC (the Partnership Agreement).

In this quarter, sufficient funds are available from receipt of Performance Credits and Net Cash Flow distributions by PERC that the CRMC does NOT recommend that funds be withdrawn from the Tip Fee Stabilization Fund for transfer to the Custody Account.

1.0 FINANCIAL STATEMENTS

Table 1 presents a balance sheet for the start of the third quarter of 2012 and four preceding quarters in a format that reflects the financial statements prepared by the MRC's auditor. As shown, as of July 1, 2012:

- The Custody Account balance at Bangor Savings Bank was **\$1,231,091.62**.
- The market value of the Tip Fee Stabilization Fund, including accrued income through the end of the second quarter of 2012, was **\$20,627,210.51**. This fund is held in the form of a ladder of bonds of varying maturities as invested by the MRC's investment advisor, People's United Bank, in accordance with the approved Investment Policy. The balance in liquid money market funds readily available for withdrawal as of July 1, 2012, was \$607,520.64, which is 3.0 percent of the full value of the fund.
- The market value of the MRC Operating Budget Stabilization Fund, including accrued income through the end of the second quarter of 2012 (also being managed by People's United Bank), was **\$2,678,042.98**. This value includes \$2.0 million that were transferred from the Custody Account in the fourth quarter of 2011 after being released from reserve funds earlier in 2011.
- Cash distributions payable in the quarter are **\$1,136,412.41** (see Table 3).

The General Fund Balance includes the amount in the Tip Fee Stabilization Fund; the amount in the MRC Operating Budget Stabilization Fund; and other amounts that are classified as undesignated.

The Net Assets of the joint venture include the General Fund Balance, as well as the ownership shares in PERC. Note that the Equity Charter Municipalities' share of Equity Reserves is not included in Net Assets, because such share is considered a contingent asset under generally accepted accounting principles.

Table 2 presents the revenues and expenditures of the joint venture, as well as the change in the Fund Balance, for the second quarter of 2012 and four preceding quarters. Note that the excess of revenues over expenditures, as adjusted for changes in balance sheet items (the investment in PERC and in cash distributions payable) is reconciled with the change in Net Assets over each quarter.

Table 2 includes a line-item for revenues from payments of the GAT shortfall penalty by Charter Municipalities to the MRC as reimbursement for their shares of the payment of \$98,326.82 made by the MRC to PERC in the second quarter of 2011. The revenue accounts for cash distributions and offsets against shares of fund balances assessed in

those quarters. The last \$55.22 owed by a Charter Municipality (Cranberry Isles) will be offset against cash distributions paid in the third quarter of 2012.

2.0 DISTRIBUTIONS TO THE CHARTER MUNICIPALITIES

The MRC distributes cash to the Equity Charter Municipalities as required to achieve (a) the target value of **\$48 per ton** of solid waste delivered in the prior quarter for all Equity Charter Municipalities on a pooled basis; and (b) the target value of **\$54 per ton** of solid waste delivered in the prior quarter for all New Charter Municipalities.

To achieve these target values, the MRC needs to distribute at least **\$1,136,412.41** to the Charter Municipalities for the second quarter of 2012 (**\$1,047,912.50** to Equity Charter Municipalities and **\$88,499.91** to New Charter Municipalities) based on a tipping fee of **\$73.00** and the actual tonnages delivered by the Equity and New Charter Municipalities for the previous quarter. The basis for this requirement is provided in Table 3.

3.0 SOURCES OF CASH FOR THE DISTRIBUTIONS

The MRC distributes Net Cash Flow and Performance Credits to the Equity Charter Municipalities on a quarterly basis. The Performance Credits are allocated and distributed among the individual Equity Charter Municipalities based on the pro rata share of actual tons at the end of the prior quarter (Extended Agreements, Article XVIII,B, pages 50-51). Net Cash Flow is distributed on the basis of ownership shares in the PERC partnership. Additional cash is distributed to the extent necessary to achieve the target value of \$48 per ton for the net disposal cost to all Equity Charter Municipalities on a system-wide average basis. The value of \$48 per ton became effective on July 1, 2012, in accordance with a schedule of increases in the target values approved previously by the MRC Board of Directors.

The MRC distributes Performance Credits to New Charter Municipalities on a quarterly basis in the amount of the difference between the Tipping Fee in the prior quarter and the target value of \$54 per ton, which difference is multiplied by the actual waste delivered by each New Charter Municipality.

To the extent that the MRC has not received payments of Performance Credits or Net Cash Flow during the quarter in sufficient amounts to make the cash distribution payments, the MRC can call on (a) other cash available in the Custody Account; and (b) transfers of cash from the Tip Fee Stabilization Fund.

For the distribution required to achieve the target values for the second quarter of 2012, the following sources of cash are available for the distribution as of July 1, 2012, as described in Table 4:

- **\$280,928.61** in partnership cash distributions (Net Cash Flow) from PERC to the MRC on behalf of the Equity Charter Municipalities in the previous quarter.
- **\$1,041,292.73** in Performance Credits distributed by PERC to the MRC on behalf of the Equity Charter Municipalities in the previous quarter, from which \$766,983.89 can be distributed to the Equity Charter Municipalities, and \$88,499.91 can be distributed to the New Charter Municipalities, leaving \$185,808.93 in the Custody Account for distribution in future quarters.

With these deposits, the balance in the Custody Account as of July 1, 2012, is more than sufficient to provide cash for the recommended distribution to the Charter Municipalities. Therefore, CRMC does NOT recommend a transfer of cash from the Tip Fee Stabilization Fund to the Custody Account at this time, as shown in Tables 4 and 5. 2012.

A full allocation of the Note Payments and Performance Credits to be distributed to each individual Equity Charter Municipality will be available subsequent to the Board meeting.

4.0 RECOMMENDATIONS

Based on the above, CRMC recommends approval of the following:

1. Distribute **\$1,136,412.41** to the Charter Municipalities as described herein.

No bond prepayment is recommended at this time.

No transfer to or from the Tip Fee Stabilization Account is recommended at this time.

If you have any further questions, please feel free to contact me.

Sincerely,

George H. Aronson
Principal
